PROPOSAL NO. 1
CLASS B VARIATION

General

Currently, each holder of Class B ordinary shares of par value US\$0.01 each (the “**Class B Ordinary Shares**”) is, on a poll, entitled to 50 votes for each Class B Ordinary Share held. The Company is proposing to vary the rights of the Class B Ordinary Shares in such manner and to such extent such that each holder of Class B Ordinary Shares will be, on a poll, entitled to exercise 80 votes for each Class B Ordinary Share held (the “**Class B Variation**”). Each holder of Class A ordinary shares of par value US\$0.01 each (the “**Class A Ordinary Shares**”) is and shall remain entitled, on a poll, to one vote for each Class A Ordinary Share held. On a show of hands, every shareholder shall continue to have one vote.

Article 2.8 of the Company’s current articles of association provides that the right attaching to a class of shares may only be varied if one of the following applies: (a) the shareholders holding not less than two-thirds of the issued shares of that class consent in writing to the variation; or (b) the variation is made with the sanction of a Special Resolution passed at a separate general meeting of the shareholders holding the issued shares of that class.

The Class B Variation will vary the rights attaching to Class A Ordinary Shares by diluting the voting power of Class A Ordinary Shares. Accordingly, the purpose of the Class A EGM is to seek the approval of Class A shareholders to the Class B Variation and the consequent variation to the rights attaching to the Class A Ordinary Shares by way of Special Resolution in accordance with Article 2.8 of the Company’s current articles of association.

The Company has separately asked its sole holder of Class B Ordinary Shares to consent in writing to the Class B Variation and expects to receive such consent prior to the Class A EGM (the “**Class B Shareholder Consent**”).

If the Class B Variation is approved by holders of Class A Ordinary Shares and Class B Ordinary Shares, separately in accordance with Article 2.8 of the Company’s current articles of association, then shareholders will be asked to amend the articles of association to, amongst other things, reflect the Class B Variation at an extraordinary general meeting of all shareholders, to be held following the Class A EGM on August 24, 2026 at 10:00 a.m., Eastern Time, at B9 Xinjiang Chuangbo Zhigu Industrial Park, No. 100 Guangyuan Road, Shuimogou District, Urumqi, Xinjiang, China 830017, accessible through the link www.virtualshareholdermeeting.com/CHSN2026 (the “**EGM**”).

Resolution

The resolution to be proposed shall be as follows:

It is resolved, as a special resolution in accordance with Article 2.8 of the Company’s current articles of association, that the variation of the rights attaching to Class A Ordinary Shares resulting from the number of votes holders of Class B Ordinary Shares are entitled to cast on a poll being increased from 50 votes to 80 votes for each Class B Ordinary Share they hold is approved.

Proposal No. 1 will be approved if at least two-thirds of the total votes properly cast in person or by proxy at the Class A EGM by the holders of Class A Ordinary Shares entitled to vote at the Class A EGM vote “FOR” the proposal. Abstentions and broker non-votes will have no effect on the result of the vote.

THE BOARD OF DIRECTORS RECOMMENDS
A VOTE *FOR*

CLASS B VARIATION.

PROPOSAL NO. 2

Class A EGM ADJOURNMENT

Proposal No. 2, if adopted, will allow the Board of Directors to adjourn the Class A EGM to a later date or dates or sine die, if necessary or desirable, in the opinion of the directors, to permit further solicitation and vote of proxies if, at the time of the Class A EGM, there are not sufficient votes for, or otherwise in connection with, the approval of any proposal to be presented at either the Class A EGM or EGM. If Proposal No. 2 is not approved by shareholders, the Board of Directors may not be able to adjourn the Class A EGM to a later date in the event that there are insufficient votes for, or otherwise in connection with, the approval of the proposals to be presented at the Class A EGM or EGM.

Resolution

The resolution to be proposed shall be as follows:

It is resolved, as an ordinary resolution, to adjourn the Class A EGM to a later date or dates or sine die, if necessary or desirable, in the opinion of the directors, to permit further solicitation and vote of proxies if, at the time of the Class A EGM, there are not sufficient votes for, or otherwise in connection with, the approval of the foregoing proposals or any proposal to be presented at the Class A EGM.

Proposal No. 2 will be approved if a simple majority of the total votes properly cast in person or by proxy at the Class A EGM by the holders of Class A Ordinary Shares entitled to vote at the Class A EGM vote “FOR” the proposal. Abstentions and broker non-votes will have no effect on the result of the vote.

**THE BOARD OF DIRECTORS RECOMMENDS
A VOTE *FOR*
THE Class A EGM ADJOURNMENT.**

OTHER MATTERS

The Board of Directors is not aware of any other matters to be submitted to the Class A EGM. If any other matters properly come before the Class A EGM, it is the intention of the persons named in the enclosed form of proxy to vote the shares they represent as the Board of Directors may recommend.
