By an ordinary resolution, to approve, confirm and authorize the following share consolidation (collectively, the "**Share Consolidation and Authorization**")

- (i) to approve and authorize the board of directors of the Company (the "**Board**") to determine, in its sole discretion, as to how and when to implement and effect, a share consolidation (the "**Share Consolidation**"), whereby every issued and unissued ordinary share of a par value of US\$0.005 each of the Company be consolidated at a ratio of not less than two (2)-for-one (1) and not more than two hundred and fifty (250)-for-one (1) (the "**Range**"), with the exact ratio to be set at a whole number within the Range to be determined by the Board in its sole discretion within three years after the conclusion of the AGM; and

Proposal 4: Adoption of An Amended and Restated Memorandum and Articles of Association
